## Features

- Generate, view and print email list of members of associations
- Detailed view of events

# Game times

- All youth games start after 5:30 PM, usually 6 and 7:15 or 7:30 Mon – Thur
- If you are available those times leave the day as available
- If you can't work until after 6:30 then you need to block part of the day
- Go to My Availability on the left
- Click on day you can't work

# Availability

- Summer games start April 29 and go thru July 17
- You will be made unavailable on days that we have games once we load them
- Weekends we do have some games, we need as much information as you can give us if you are available only part of the day

# Availability

- You need to go make yourself available on the days you can work, After April 8
- Keep checking back to see if we added games on days you are available. You should get an email, sometimes they don't go out timely
- After the initial load of games we won't turn everyone to unavailable if we add a game on that day
- If you are unavailable on a day that did not change with the initial games you need to make yourself unavailable, i.e. weekends

# Availability

- If you don't do your calendar and get an assignment you will be expected to be at the game
- Keep your availability as up to date as possible
- If you show available for tomorrow and you now can't referee, PLEASE go change your calendar

# Availability

- You need to keep checking your schedule, you could be assigned to a game on a day that you are not available because you did not mark that day
- We will not block everyone's day after the season starts even if a game moves to a day with no other games
- You need to keep your availability up to date as possible

# Availability

- Timing to block or unblock days are all on the hour. There is a place for notes if you are not available until x:30 to let us know.
- You can block multiple days using the link just above the calendar
